

Parental/Guardian Photography/Videography Consent Form

Name & contact number of Worker in charge

We need to raise funding for our Detached Youth Work and Outreach Work with young people outside. Therefore from time to time we want to be able to take photographs and video young people engaged in various activities such as playing rounders and football, for example.

However it is appropriate that we should first receive the consent of an a parent or guardian, and therefore we ask for this below.

1. I, the undersigned.(parent/guardian)
